

HELPFUL HINTS TO AID IN COMPLETING YOUR APPLICATION

READ THE LETTER WITH YOUR APPLICATION!!! **LETTER WILL SPECIFY WHICH APPLICATION TO COMPLETE!!!**

1. PERMIT & REGISTRATION - NEW OR RENEWAL APPLICATIONS

- Completely read the instructions for permit and registration renewals.
- Check Safer Website (www.safer.org).
- Provide copy of MCS-90

http://www.fmcsa.dot.gov/espa%C3%B1ol/english/pdfs/sec387_form3.htm

(Note: Provide a copy of the MCS-90 (Insurance) which lists primary coverage. Also include a copy of the MCS-90 for any excess coverage, if applicable. **LIW coverage** must be a minimum of \$750,000 and \$1,000,000 coverage for hazardous waste.

Hazardous Material (Waste) coverage - if you have vehicles with capacities above 3,500 water gallons and are using them to transport hazardous material \$5,000,000 coverage is required.)

- Include certification initials (Page 4, Part II for Liquid Industrial Waste (LIW) and (Page 2 of the Uniform Hazardous Waste application) that are the same as the person signing the application.
- The “**entire fleet**” of the company’s vehicles (not just the ones that transport in Michigan) are to be identified on the application.
- New Transporters complete EQP 5150 (Site Identification Form) to obtain your number prior to submittal of the application.

There is a \$50.00 Charge to obtain a Site Identification Number

- Permit Fee is only required every 3 years.

2. REGISTRATION - RENEWAL APPLICATIONS ONLY

- Read Instructions for Renewal Only

3. LIW – NEW OR RENEWAL APPLICATIONS

- ***LIW Transporters Only:*** Read the appropriate instructions for either a Permit and Registration Application or Registration Only Applications for LIW. Complete Attachment A.
- ***National Uniform Hazardous Materials Transporters*** that also transport LIW provide the following:
 - Attachment A

- A copy of the National Credential
- A copy of Page 1 from the most recent Uniform Program Registration/Permit application.
- Permit Fee and Registration Fee is waived

4. LIW Fee Calculations

National Uniform Hazardous Materials Transporters may utilize Page 1 of their most recent National Program Application to calculate the appropriate LIW fees.

Example:

From Page 1 Hazardous Material % is	25%
From Page 1 Michigan IRP Mile % is	10%
From Page 1 Power Units are	35%

1.2A Power Units	<u>.35</u>
------------------	------------

1.2B Transportation activity involving LIW 100% -25%=	<u>.75</u>
---	------------

(Note: Other documentation can be submitted to justify less than 75%)

1.2C Transportation mileage in Michigan	<u>.10</u>
---	------------

LIW Only Transporters

Transportation less than 100% provide documentation

Transportation mileage in Michigan less than 100% provide documentation

OR

PAY FULL FEE
